ORLANDO – Real Property Specialists, Inc. announces Rachel Slater has accepted the role of senior property manager, including direct oversight of property management of more than 643,625 sq ft of retail and office space in major markets throughout Florida.

Slater joined Real Property Specialists, Inc. in August 2008 and has been involved in real estate property management for over 4 years. She previously worked as a property manager for the Orlando branch of Woolbright Development, Inc. In this role, she was responsible for the oversight of over 435,000 sq ft of office and retail properties.

About Real Property Specialists, Inc.

Alan Charron founded Real Property Specialists, Inc. in 1992. Real Property Specialists is a full-service commercial real estate firm specializing in all facets of commercial real estate. Services include appraising, brokerage, consulting, and development. As the owner, developer, manager and broker of shopping centers, Real Property Specialists' comprehensive range of services includes marketing, managing, leasing, investment sales, site selection and analysis, purchase or lease negotiation and exclusive tenant/buyer representation.

Real Property Specialists, Inc recently opened a Tampa office, which will serve clients throughout the Tampa Bay area.
